

2019 GOSPEL OUTBOUND ACTIVITIES REPORT & PRAYER REQUESTS

OPERATIONS:

Gospel Outbound operates two separate non-profits each in the U.S. & Uganda, partnering to mobilize missions outreach in East Africa and beyond. We do this through missions education and missionary sponsorship and sending. Additionally, we support education for 65 village orphans, have planted 15 G.O. churches, and provide compassion relief in N. Ugandan refugee camps through mosquito net acquisition and distribution. Both our U.S. and Ugandan directors oversee for-profit businesses being grown to provide long-term financial sustainability for the mission.
